Chambers' Bell

Ben Lane '12

Hear the dreadful Chambers' bell,
Hateful bell, spiteful bell!
What an hour of miseries your monodies compel!
How you clang out our demise
With the banging we despise,
As we're trudging, trudging, trudging
Through the freezing morning air,
While we feel professors judging
With a smug and smiting stare!
Neither jingle nor a jangle
Just the twanging that can mangle
All the students ah the students!
How we wish we had some prudence
The night before, yes before!
But that doesn't stop the roar
Of the sound that we abhor,
Of the harsh and biting yell,
Of the smashing crashing howl of the bell!

Hear the lovely Chambers' bell!
Welcome bell, freeing bell!
What of a day of merriment your madrigals foretell!
How you never come too soon
In the sunny afternoon,
Oh, mellifluously lilting little tune!
How the birds are always singing
To the rhythm of your ringing,
While their cheeping and their peeping
Wakes all furry things from sleeping,
With all the euphony and harmony of spring!
Now your vernal song enhances
All our swirling, twirling dances
So we laugh and laud the day
In harmonious display:
The brouhaha of hearts a'thaw
Excites each feral thing,
Our hearts give chase to meet the pace
Of Bacchanalian spring!

Ruth French

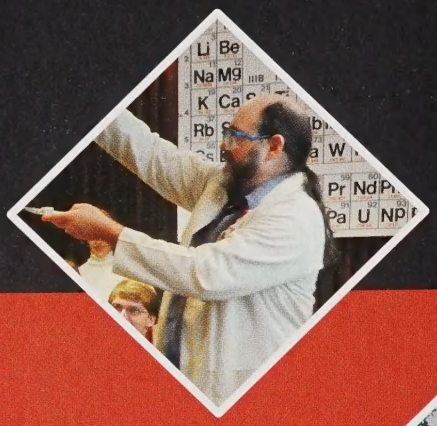

Catcard Services Manager and Photograph Extrodinaire

Ruth French has been working at Davidson College for the last eleven years. After spending two years in Alumni Relations, she moved into the Catcard Services office and has not left since. Ruth is currently our Catcard Services Manager, she monitors monthly Catcard balances, manages meal plans, and communicates with campus partners who accept Catcards. She also implemented the online checking of Catcard balances as well as online meal plan sign-ups.

Ruth is very passionate about her work. She does not consider her time at Davidson merely at job. It is more than that. Working at Davidson is an important part of her life and she loves coming to work each day. "I love the students! When they leave my office with a smile, I consider that a good day," Ruth said.

It is no surprise that Ruth was eager to help when the Quips and Cranks editors came to her with a yearbook problem. Ensuring that all students are pictured in the yearbook has always been a challenge for Quips and Cranks, only the students that are photographed during Picture Days are pictured in the yearbook and many students do not participate in this event. This year the editors came up with a solution. At orientation, the freshmen gave permission for their Catcard photograph to be used in the yearbook if they did not have a professional picture taken. Ruth had to go through more than 200 Catcard pictures by hand, changing the file name from ID numbers to names and emailing them all to the editors. It was a time consuming task, but thanks to Ruth, nearly every freshmen student is in the yearbook. Within four years, with this new partnership with the Catcard Services office, every student will have their picture in the yearbook.

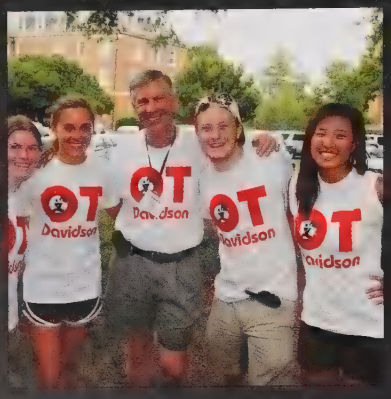

The Quips and Cranks staff would like to dedicate the 2010 yearbook to Ruth French in honor of all her hard work. This important change would not have been possible without her help. Thanks Ruth!

Freshman Orientation

Whether by plane, by car,

by bike or canoe,

nearly 500 newbies arrived

to campus on August 20th, tis true.

There was OT and move-in

and honor code signing

time to meet RA's

and the first of many Commons dinings.

With freshman olympics

and each educational D-101

its certain that each freshie

was sad when orientation was done!

Freshman

So you've made it to Exit 30. You park in Baker and follow the signs right up to Alvarez Union. A few strangers adorn you with a feather boa, sombrero, and one of many strange signs. You wonder what OT stands for as you say "Cheeze!"

After stumbling through the maze of Alvarez Union you are now the proud owner of a CatCard, dorm room, and room and mailbox key. Now what?

Well, freshman, just because classes haven't started doesn't mean Davidson won't keep you as busy as always. Between the tour, service walk, cake race, Davidson 101's, and Honor Code signing, there's overtime at Summit, Ben & Jerry's and Lake Campus.

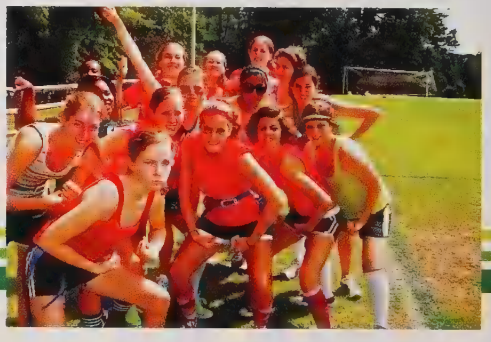

Don't forget to kiss mom and dad good-bye by August 23...and get back to creeping on the Wildcat Handbook!

The Cake Race

Sarah Lanners eyes up her cake with excitement and enjoys the buffet of desserts with her hall.

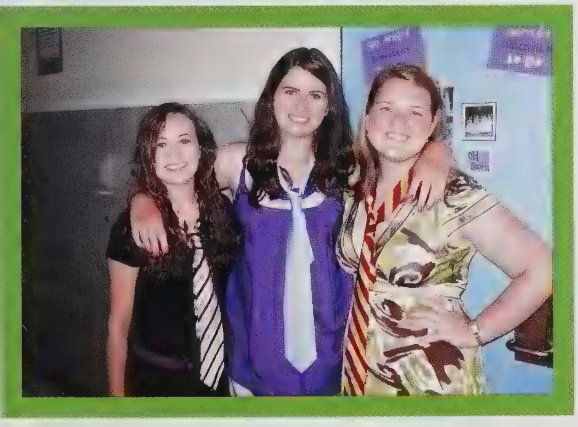

The Davidson Wildcat always helps with goodbye's!

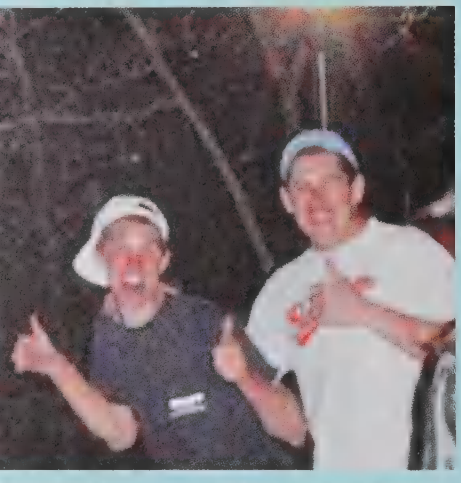

Don't know how to meet a lovely lady or charming gentleman?

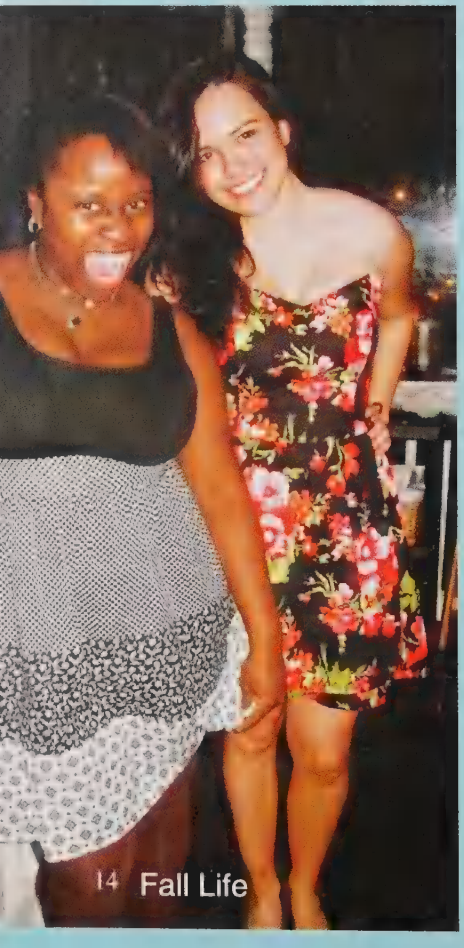

...Try orientation mixers like My Tie dating or Human PacMan!

First Night Down

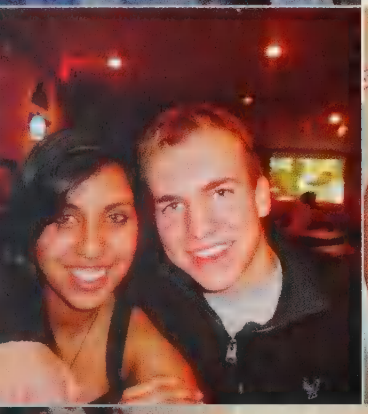

All around campus freshman anxiously gathered Hanes white tees, Hi-liters, Toga supplies (Lulabell, anyone?) and their best "going out" accesories. The occasion? Opening of the Court!

Tips *for* Freshman...*from freshman*

"Know the name of the person dancing with you!"

"Take advantage of Union Board sandwiches. Perfect Fluffernutter: 1 part PB 1 part marshmallow fluff!"

"Its a marathon... not a race!"

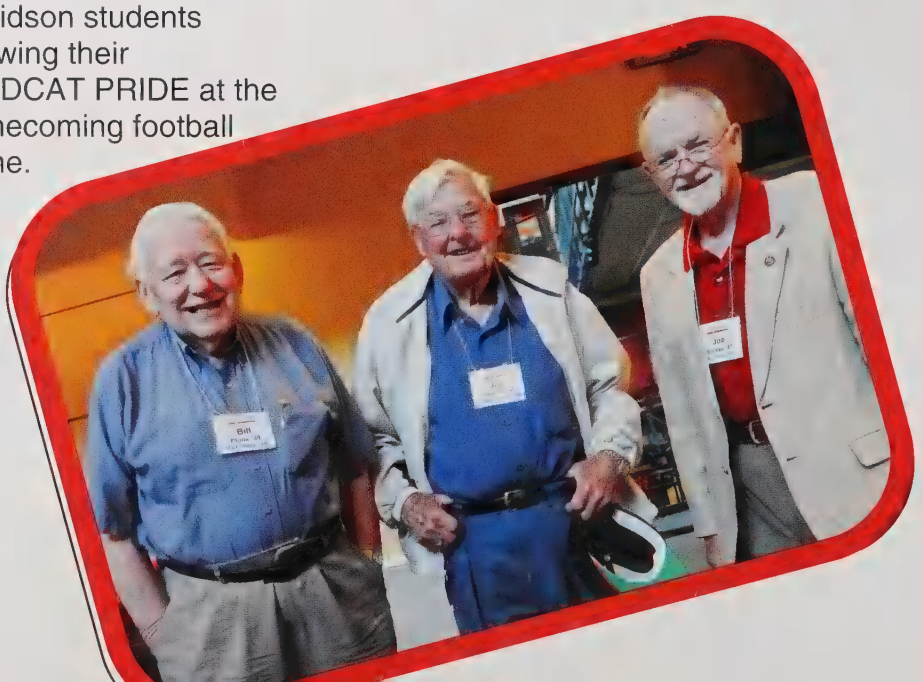

"No Jeggings! NEVER Jeggings!"

Swine Flu

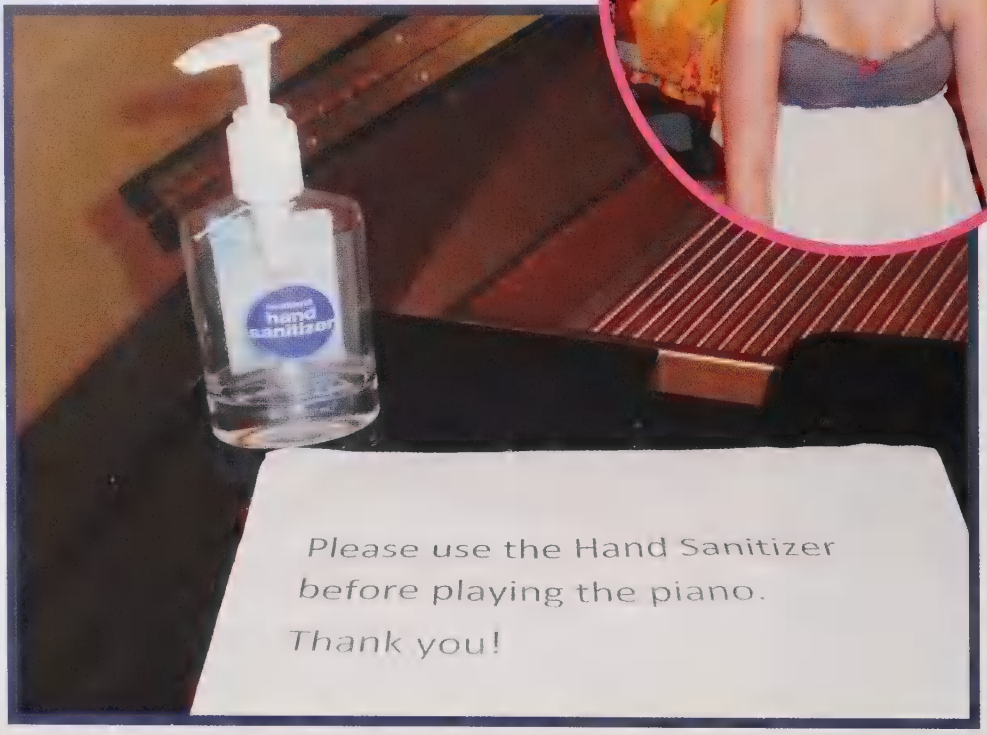

The year it took over campus

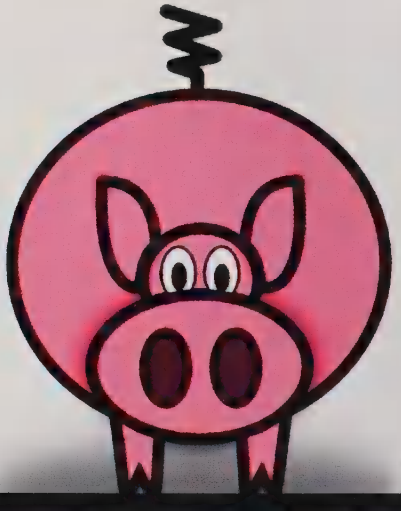

This fall, swine flu spread across Davidson. 329 students came to the health center with flu-like symptoms. The lounge in F was turned into quarantine, pink masks became a new fashion statement, and Purell was a hot commodity.

Spring Frolics

Before finals, Davidson students enjoy a weekend of hanging-out with friends, lounging about in the sun and participating in carnival-like activities sponsored by the Union Board. Spring Frolics of 2010 featured snow cones, dippin dots, hot dogs and hamburgers and various water activities located on the lawn behind Commons. Spring Frolics was enhanced by PCC sponsored events such as Cheeseburger in Paradise hosted by Rusk Eating House which takes place Friday afternoon and traditionally kicks-off the weekend of frolicking.

Alpha Kappa Alpha

Alpha Kappa Alpha is the first Greek-lettered sorority established and incorporated by African-American college women. The sorority was founded on January 15, 1908 at Howard University in Washington, D.C. The sorority serves through a membership of more than 200,000 women in over 975 chapters in the United States and several other countries. As the sorority grew, it kept in balance two vital themes: the importance of the individual and the strength of an organization of women of ability and courage. The Sigma Psi chapter of Alpha Kappa Alpha was established at Davidson College on November 23, 2008 and it is the first sorority at Davidson College.

Alpha Phi Alpha

Alphas perform at Live Thursdays

Eight founding members established the Davidson College chapter of Alpha Phi Alpha in December of 2003. Founded in 1906 at Cornell University as the first intercollegiate Greek letter fraternity established for African Americans, Alpha now includes more than 200 chapters nationwide. Alpha maintains both college-based and alumni affairs and emphasizes lifelong commitment. Once student members graduate from college, they may apply to join alumni chapters that conduct a high level of service activity and closely support the college chapters.

Alpha demands that members maintain a 2.5 G.P.A., a tougher requirement than the 2.0 standard of some of Davidson's nationally affiliated fraternities and five eating houses. Alpha requires members to be registered voters and to participate in its national voter registration and monitoring community service programs.

Kappa Alpha Psi

Kappa Alpha Psi is comprised of undergraduate and alumni chapters on major campuses and in cities throughout the country. Kappa Alpha Psi was founded on the campus of Indiana University on JAnuary 5, 1911. The Fraternity's fundamental purpose is achievement. The ten founders sought a formula that would immediately raise the sights of collegians and stimulate them to accomplishments higher than they might have imagined. Fashing achievement as its purpose, Kappa Alpha Psi began uniting college men of culture, patriotism and honor in a bond of fraternity. The Phi Mu chapter of Kappa Alpha Psi was chartered on September 28, 2008.

Building Balanced Men

The new recruits!

"This Saturday morning at 9:00 amidst Brueggers Bagels and hot chocolate, Davidson students, faculty and community members will gather on the Town Green for the 5th annual Sigma Phi Epsilon Turkey Trot. The Turkey Trot will be a 5K race to benefit the Free Clinic of Our Towns at Ada Jenkins, a non-profit volunteer organization that seeks to bring healthcare to those in the community who can't afford it.
"The Free Clinic's services are in more demand than ever with the state of the economy," SigEp Vice President of Programming Bryce Jones '11 said. "Unfortunately, much of the charitable donations that keep the Clinic running have fallen off just when our community needs the Clinic the most."
Jones said that because many of the brothers of SigEp volunteer for the Clinic itself or Ada Jenkins, Service Chair Scott Connors '11 revived the Turkey Trot after "a three year hiatus."
So far, SigEp has raised around $2,500 for the Free Clinic, and hopes to total $3,500 after the race. In addition, all proceeds from registrations will go directly to the Free Clinic, as SigEp has donated $1,500 to cover the race costs.
"The response from SigEp alumni, many of whom remember the Turkey Trot from their time here, has been outstanding," Jones said. "We certainly hope that our event can raise awareness about the Free Clinic and its mission. Davidson students are already very involved in this cause, and we would like to let the whole campus know."
Besides raising money for charity, eating bagels and getting some exercise, Jones cited one last reason to be excited for Saturday's Turkey Trot.
"Chris Ryan, SigEp's President, has been training for two weeks for this race," Jones joked. "He will also be wearing all Under Armour."

EAC

The Environmental Action Coalition (EAC) enjoyed one of its busiest years to date in 2009-2010. Riding the waves of its past successes and buoyed by the leftover spirit of the Year of Sustainability (2008-2009) and led by Claire Naisby '12 (president), Galen King '10 (treasurer), Marie Doyon '12 (secretary), and Hayden Higgins '12 (historian), EAC seeks to promote environmental action, education, awareness, and advocacy on campus and beyond. EAC's flagship programs remained popular, including such stalwart events as Do It In The Dark, Recyclemania, and Green Ball. However, the leadership sought to expand the reach of the club by conducting more social events including monthly potluck dinners, the wildly successful Power, People, Pork dinner during Parent's Weekend, and a weekend retreat in the fall to allow freshmen and new members to have their plans for the new year heard. The members continued to seek to elucidate to their peers environmental issues the world over, and did so successfully by showing several documentaries throughout the year, including For Love of Water and CRUDE. Students will also note the presence of the Environmental Action Coalition on their Cat C.U.P.P.S. stickers, a testament to a longtime project of the organization. Finally, the organization sold Ray-Bans at a discounted rate and held an opening party to support the installation of retrofitted elliptical machines in the Union gym, a project of member Alexis Valauri-Orton '12. Environmental issues that the EAC addresses include but are not limited to the following: Food, Water, Conservation, Energy, Waste, Policy, and Environmental Justice. The EAC continues to bring together interested and/or curious students from different backgrounds and empower them to fulfill EAC's role within the community, to make Davidson a better, more sustainable place for all of us.

"Davidson Raises SoCon-Best $4,210 for Side-Out Foundation"

Through proceeds from donations, T-shirt sales and a silent auction, the Davidson Volleyball team raised $4,210 in support of the Side-Out Foundation's Dig Pink campaign, leading all Southern Conference schools for a second straight season.

"We are excited to have participated in this year's Dig Pink efforts," head coach Tim Cowie said. "Our team, along with our fellow SoCon schools, takes great pride in supporting breast cancer awareness and helping the Side-Out Foundation raise funds in order to eradicate this terrible disease."

In total, the 11 participating Southern Conference member institutions raised $14,423.34, with Davidson leading the way for a second straight season. The Wildcats raised $4,210, after raising $5,400 a year ago.Appalachian State raised $3,502, and Elon, $1,918.

To raise support, Davidson players and coaches solicited pledges, either in per dig or flat donations, and sold T-shirts. The athletic department also hosted a silent auction at the team's Oct. 23 match against Western Carolina. The team's final figure of $4,210 includes donations made to the Side-Out Foundation on behalf of the team, online donations and the Davidson College donation, which includes proceeds from shirt sales and the silent auction.

The Wildcats and the Southern Conference partnered with over 800 high school and college teams across the country to participate in the Dig Pink campaign. The Wildcats participated in a breast-cancer initiative for a second straight season, raising $5,000 last year to support the Dig for the Cure campaign, since absorbed into the Side-Out Foundation's Dig Pink event, held in October to raise awareness and funds for the Side-Out Foundation.

Jonathan Kass

Dear Jonathan,
It is hard to believe that your time at Davidson is ending. Four years of intense study, endless pressure over deadlines and exams, but also years of growth, maturity, wondrous opportunities and developing lifelong friendships. As you look towards medical school, a career, a family, and a lifetime of achievements, mom and I would just like to tell you how very proud we are of you. Not just your accomplishments within school, but also because of the young man you have become. You have a charming wit, an amazing sense of humor (please don't ever lose that), and an innate goodness that will serve you well. You have become a brother in whom both of your sisters look up to, and a young man with a strong sense of self and determination. As you continue on life"s journey, remember the past, plan for the future, but always live in the present. This is our recipe for your happiness. Know too that we are here for you no matter where life takes you, and that we will love you unconditionally. Always.

Mom, Dad, Kat and Becca

Imani Bowen

DEAR IMANI,

WE HAVE WATCHED YOU GROW FROM A BEAUTIFUL LITTLE GIRL INTO AN EXTRAORDINARILY BEAUTIFUL, TALENTED AND SENSITIVE YOUNG WOMAN. ON THIS VERY SPECIAL DAY, YOUR ENTIRE FAMILY CELEBRATES YOU... THE WONDERFUL PERSON YOU HAVE BECOME, INSIDE AND OUT, AND THE ENDURING PROMISE OF YOUR FUTURE. WE ARE SO VERY PROUD!

LOVE ALWAYS,
YOUR FAMILY

Editors' Note

Another year at Davidson has come and gone, much to our amazement and disbelief. For senior editor-in-chief, Lindsey Graf, it hardly seems possible that the 2009-2010 academic year ended her career as a Davidson student. When you begin freshmen year it is difficult to believe that one day you'll find yourself on the other side with a liberal arts degree in hand and wondering what steps to take next so that you can make your mark on the world. *Tempus fugit;* time flies. But in the same way that high school graduation is bittersweet, with the closing of childhood friendships coupled with the anticipation and adventure of college life, so too is college graduation. We take with us the friendships made through fraternities, eating houses (good luck explaining that to perspective employers), roommates, boyfriends and girlfriends, and for the first time step out into a world that is nothing but our own. For some, the path is clear and straight, for others the road may be crooked and lead to unknown destinations where more soul searching is necessary. Whichever your path may be and wherever it takes you, we all carry with us the lessons learned at Davidson, not only the academic knowledge but the self dignity, respect and trust for community that Davidson illustrates. To echo President Tom Ross at the 2010 Commencement Ceremony, lead a life of honor and integrity, even with the absence of the honor code to berate us after graduation.

As the year ends, we will miss working on the yearbook together, the lazy fall semesters, the bi-yearly yearbook meetings and the excitement of designing and publishing the school annual. As Kali continues to lead Quips and Cranks in the 2010-2011 year, it will be interesting to watch the changes made to yearbook this year be put into effect.

Thank you to everyone who supported and helped in the publication of the 2009-2010 annual. Enjoy and as always,

GO WILDCATS!

The 2009-2010 Quips and Cranks Yearbook was published by Jostens Publishing Company at their Winston-Salem, NC plant. The 288 page book was printed on 80 lb gloss paper. The primary font is Helvetica and all photos were taken with digital cameras. All layouts were created using Jostens' online program Yearbook Avenue. Student portraits were taken by Lifetouch, Inc. and many more photos were provided by College Communications and Sports Information. Yearbooks are mailed to Students before the Fall semester of the following school year.
